

The safety and well-being of our employees and the communities our department serves are our highest priority. Therefore, the decision has been made to physically close our public facing component of our office to prevent physical contact with the public but will continue to perform operations remotely (electronically and telephonically) as possible.

To initiate a development application please visit: <https://epcdevplanreview.com/>

Please send an email to plnweb@elpasoco.com for answers to any questions pertaining to the use or development of properties located within the unincorporated portions of El Paso County.

Specific zoning, development, and planning related questions should be directed to the Planner of the Day as follows:

Monday – Gabe Sevigny – (719) 216-6868
Tuesday -- Rad Dickson – (719) 323-7549
Wednesday – Ryan Howser – (719) 330-1456
Thursday – Lindsay Darden – (719) – 238-0878
Friday – Rad Dickson – (719) – 323-7549

For answers to all other general development and zoning questions, please contact El Paso County Planning and Community Development at (719) 520-6300.

For answers to general engineering-related questions, please contact Elizabeth Nijkamp at (719) 520-7852.

For answers to construction inspections-related questions, please contact Brad Walters at (719) 520-6819.

For answers to code enforcement-related questions, please contact Mindy Madden at (719) 520-6304.
